The Hy-Max spiral hose guards are quality, hard wearing PVC-U protection spirals available in a range of sizes to suit your needs. Suitable for use in temperatures  $-10^{\circ}\text{C}$  to  $60^{\circ}\text{C}$ , they are versatile and have a range of uses. Aside from protecting oil dynamic hoses from wear and damage, they can be used for wrapping groups of wires and protection of electrical wires. Hy-Max spiral hose guards are provided in a continuous length, contained in a easy dispensing box.
